## Across

5. Lines that run at an angle
7. When you add black to a colour it will become darker
8. A picture you get in your mind when you hear or make music.
9. Whether something is dark or light
10. Lines that run straight up and down

## Down

1. An object that hangs above your bed to "catch" your dreams
2. The way you feel
3. When two or more characters are talking to each other each other
4. When you add white to a colour it will become lighter
6. Music that plays between the action in the drama
