

# Physical Science

## Across

- 2. the mass of an atom
- 9. table of elements
- 10. unit for force
- 12. aberration for an element

## Down

- 1. table of elements
- 3. oppositely charged ions
- 4. no charge
- 5. abberation for an element

- 6. oppositely charged ions
- 7. positive charge
- 8. no charge
- 11. unit for power

## Word Bank

- |                |                |                |             |
|----------------|----------------|----------------|-------------|
| element symbol | protons        | atomic mass    | ionic bonds |
| electrons      | periodic table | periodic table | neutrons    |
| ionic bonds    | element symbol | newtons        | joules      |
