

# Physics

## Across

4. Two \_\_\_\_\_ of milk
6. The heat created after rubbing hands together
8. speed and direction
9. Measured in grams
10. First law

## Down

1. The relationship between how much mass and volume an object takes up
2. The \_\_\_\_\_ is with you
3. Rate of change in velocity
5. The \_\_\_\_\_ law which states the more force the more acceleration
7. Turn up the \_\_\_\_\_
