

Name: \_\_\_\_\_

Date: \_\_\_\_\_

# Physics: Wave Vocabulary

## Across

3. up and down wave, like water

5. time to complete one wave or cycle

8. sound wave type

10. swings back and forth

11. waves per second

13. bending light through glass or prism

14. one longitudinal push

15. famous for studies of waves and springs

16. \_\_\_\_\_ wave, doesn't move

## Down

1. simple \_\_\_\_\_ motion

2. \_\_\_\_\_ motion, wave motion

4. bottom of wave

6. distance between crests

7. wave

9. height of crest above midline

12. oscillation
