

Name: _____ Date: _____ Period: _____

Plant and Animal Cell

Across

2. Known as the plasma membrane
4. A network of membranous tabules within the cyoplasm of a eukaryotic cell
12. An organelle that contains chlorophyll
14. An Organelle in the cytoplasm of eukaryotic cells containing enzymes enclosed in a membrane

15. A particle thats found in cytoplasm

16. A jellylike substance

Down

1. A layer on the outside of a plant cell
3. A complex of vesicles
5. A large membrane organelle
6. Any special structures with a living cell

7. Hairlike organelles

8. A double membrane

9. Any organism that contains a nucleus
10. The smallest structural and functional unit of an organism

11. A whip like structure that allows a cell to move

13. A single cell microscopic organism
