

# Poetry Devices

## Across

3. A story, poem, or other written work that can be interpreted to have a secondary meaning.  
 5. Repetition of syllables at the end of words  
 7. Short lyrical poem  
 12. A pattern of long, short, stressed, and unstressed syllables in writing  
 13. A poetic device where the writer addresses a person or thing that isn't present with an exclamation.

15. A fourteen-line poem with a strict rhyme scheme

16. The process of repeating certain words or phrase

17. Refers to poetry written without rhyme

## Down

1. Repetition of specific consonant sounds  
 2. A question asked to make a point rather than in expectation of an answer.  
 4. When a writer compares one thing to another  
 6. Continuation of a sentence beyond a line break  
 8. Repetition of a sound or letter at the beginning of multiple words in a series.  
 9. An indirect reference to something  
 10. The rhythm of a poem or other written work  
 11. Use of tone or exaggeration to convey a meaning opposite to what's being literally said.  
 14. A play on words, using multiple meanings or similar sounds to make a joke
