# REG D Transaction Limitations

## Across

2. A member can avoid REG D transfer limitations by having their payroll deposited in \_\_\_\_\_

3. Transaction counts towards the six monthly if you write a \_\_\_\_\_ to pay a bill

7. Transaction counts towards the six monthly if you login to NetTeller and make an \_\_\_\_\_

8. If the savings is set up as an \_\_\_\_\_ account. Once the savings has reached it's six, it will no longer draw from it.

10. Transaction does not count towards the six monthly if you use a machine outside one of the branches

11. The number of REG D transactions that are allowed monthly from a savings is \_\_\_\_\_

12. QA Mails this out as a one time courtesy when a member reaches their limit for the first time

## Down

1. Transactions count towards the six monthly if you call in and make a \_\_\_\_\_

4. Transaction does not count towards the six monthly, if you send it in by \_\_\_\_\_, with a stamp

5. Transaction does not count towards the six monthly if you go to a branch and do a transaction \_\_\_\_\_

6. This warning is placed on the account when a letter has been mailed out \_\_\_\_\_

9. Transaction counts towards the six monthly by setting this up automatically to come out of your account monthly
