Razzle Dazzle

Across

3. Two or more players conferring between downs, or could be the whole team.
5. Receives the snap from center and can either pass or run.
10. When a defender makes contact with a receiver before he touches the pass.
11. this fitness component is improved when playing razzle dazzle
14. Action by the offensive linemen and backs in which they use their bodies to keep the defensive players from the ball carrier
15. This is the line after the goal line, any ball caught past this line is out of bounds.

Down

1. snaps the ball to the QB, they must snap it between their legs
2. Failure of a player to retain possession of the ball while running or attempting to receive a hand-off, center, or a lateral pass.
4. a variation of touch or flag football which is fast moving with a minimum of time between plays and which involves all of the players in the fun part of the game - passing, catching, and running with the ball. It is a wide open game with more scoring, action, and running than in a typical flag football game.

6. A line that is drawn, parallel to the football, that divides the offense from the defense.
7. When a player crosses the line of scrimmage before the ball is snapped
8. A quarterback handing the ball forward behind the line of scrimmage to a back field player.
9. 2 points awarded to the defensive team when the ball carrier is declared down by touching in between his own goal line and the end line.
12. when the offense crosses the goal line while in possession of the football.
13. Crossing this line with possession of the football results in a touch down.
