

# Repetition Literary Devices as of January 29th

## Across

3. Repetition of words at the start of clauses or verses.

5. Repetition of words or phrases in opposite sense.

7. Repetition of a phrase (usually a question) to stress a point.

8. Repetition of the same words at the beginning and the end of a sentence.

10. Repetition of words broken by some other words.

11. A combination of anaphora and epiphora, in which repetition is both at the end and at the beginning.

12. A literary device wherein the last word of one clause becomes the first of the next, and so on. An extension of anadiplosis.

13. Repetition of similar or identical vowel sounds in neighboring words.

## Down

1. Repetition of an idea first in negative terms, and then in positive terms.

2. Repetition of the same word at the end of each clause.

4. The occurrence of the same letter or sound at the beginning of adjacent or closely connected words.

6. Repetition of words of the same root, with different endings.

9. Repetition of the last word in a line or clause.
