

Shakespeare Sonnet CXXVIII

Across

2. What body part on your face kisses your lover?
5. What is another word for changing into your true self?
8. When you get married, what does the priest give you?
9. When you are in love, what do you lips do to you lover?
10. What is attached to your body, and lets you touch your lovers face?

Down

1. What are attached to your hands that allow you to grasp your lovers hand?
3. What is the name of when your face turns blotchy red from love?
4. What comes from the heart, but cannot be seen?
6. What does the piano emit from its heart?
7. What do you need to press down on a piano to make a lovers song?
