Sonnets

Across

5. The final six lines of a Petrarchan sonnet offer answers to the questions in the first half. What is this section of the poem called?
7. What is the other type of traditional sonnet other than a Shakespearean?
8. How do Shakespearean sonnets usually end?
9. What do you call the first 8 lines of a Petrarchan sonnet?

10. What do you call the type of rhyme scheme where alternating lines rhyme?

Down

1. What meter does a traditional sonnet usually follow?
2. What theme do sonnets usually address?
3. What do you call a section of a poem with four lines?
4. How many lines does a sonnet have?
6. How many poetic 'feet' are there on each line in a sonnet? (HINT: syllables)
