

Staff Days - 2017

Across

1. Even though I have a Heavenly name, I can be very aggressive towards other fish | I am the mother to over 100 fish | My triangular shape makes it easy to hide from predators | What am I?

2. You can find me on Little House on the Prairie | We may be small, but we are extremely skilled fighters | Contrary to popular belief, we do not say "Woof" | What am I?

3. It is difficult for us to jump due to being the largest land animal | I have a great memory | And for the last time, I am not afraid of mice! | What am I?

9. We try to live by this motto: Fish are friends, not food | many people have galeophobia | a terrifying movie was made just for us | What am I?

10. I am a vegan (don't judge) | We are part of the lizard family | Sun bathing is my favorite hobby | What am I?

11. If Zoboomafo wasn't your favorite show, we can't be friends | I live in Madagascar | My tail is my greatest weapon | What am I?

14. I am the true TCU mascot | I am no larger than a teacup | I am a true Texas | What am I?

17. Dentists hate us due to our many teeth | We are the official reptile of Florida | Sometimes, turtles use me as an Uber | What am I?

18. I like to stand while I sleep | I have my own day on June 21st | You stayed up waiting for my friend, April, to give birth | What am I?

19. I am the most dangerous of my kind | Please stop turning us into purses, it's not cute | Still lost? Remember Hista from Tarzan? | What am I?

20. I am known as a "Dwarf Chimpanzee" even though we are the same size | I am part of the "make love, not war" species | I can be found south of the Congo River | What am I?

Down

4. I am one of the most popular Power Rangers | My stripes are my "fingerprints" | All the ladies love my blue eyes | What am I?

5. We are one of the most intelligent bird species | The many colors of our feathers help us blend into our Rainforest habitat | We love to mimic you | What am I?

6. I am the third largest cat in America | I am the only cat that can roar | The car only wishes it was as fast as me | What am I?

7. I live under the sea | I can be extremely poisonous | Although I have no backbone, I have tons of spines | What am I?

8. You love my fruity cereal | Our bills are larger than any bird out there | We are found in South America | What am I?

12. I am one of human's closest relatives | I am also referred to as the "Red Ape" | You can find me and my friends in Asia | What am I?

13. Together we are called a "Zeal" | Our least favorite color is Orange | And to answer your questions, we are white with black stripes | What am I?

15. My poison is 500 times more potent than cyanide | Unlike most frogs, I am only active at night | I can be as small as your thumb | What am I?

16. Although we are clumsy, we are strong swimmers | The color of our feathers makes us stand out like a sore thumb | Together we are called a flamboyance | What am I?
