# Summer Sun Here We Come

## Across

- 1. A type of money you cannot spend to buy anything
- 3. Used to see under the sea
- 7. Where the ocean meets the sand
- 14. A summer favorite food
- 15. You are likely to see lots of these at the beach
- 16. If you do not wear this you are guaranteed to feel the rapture of the sun's heat
- 17. Put this on to protect your big head

19. Calcium deposits found in the sand along the beach

- 21. You get this by laying out in the sun
- 22. Provides shade from the sun
- 23. Something built at the beach & easily crumbles

## Down

- 2. Multi-colored and must be blown up to bounce
- 4. When in need of getting the water off of you just use this
- 5. Minimal clothing but perceived as okay when having fun in the sun

6. Summer fruit

- 8. Beach footwear
- 9. People often make this in southern summers
- 10. Can get any and everywhere and drives people crazy
- 11. Keeps stuff cold and off the ground
- 12. The movie Jaws shows us the danger of swimming with these
- 13. This beach doesn't care
- 18. Most people will jam these at the beach
- 20. Burning ball of gas
