

Synergizing

Across

4. Name of the speaker in ted talk

8. Are sure and steady; they stick to a job until it's done.

9. Support the leaders. If they hear a great idea, they go with it.

10. Value differences

11. Each person's talents complement everyone else's talents and make up for any weaknesses.

12. When two or more people work together to create a better solution than either could have come up with alone

Down

1. Are the creative "idea" people. They offer the sparks.

2. Go for the 3rd alternative

3. 4th step of the steps to the 3rd alternative

5. Means to complete

6. Are fun to work with, but they can be difficult sometimes. They often bring the diverse thinking you need to succeed together.

7. Cooperate well, providing unity and synergy
