

THOL Crossword

Across

2. Peculiar, Particular. We went to Sunshine Children's Home. Each individual are more than just "normal people". They are a blessing. Fortitude: We walked with our .orgs, even though we might not like to.

5. Psychic Energy, Impulse. Bruce Gradkowski gave a speech during the Carb-Loading Dinner. Charity/Love: We were motivated to help the church as well as to run our best and finish the race of life.

7. Our logo for Mrs. Weiner. I wrote this all over my arms and legs before the race. Hope: Although it might have been hard to keep running, most chose to do so, while others walked (like me!!).

8. vaping; e-cigarette. Many teens all over the world do this during school, and in the classrooms, as well as outside of school, too. Temperance: A person needs to be able to stop themselves when needed.

9. Hypochondria, Panic. Melissa Schaller gave us a VERY long speech. Hope: We need hope when we are anxious about something, that God will be there for you.

10. Clean; sober. A man spoke to us about his change of perspective in life after exercise. Temperance: A person needs to think about the action and review the consequences.

Down

1. A place where children can learn new things. We watched different clips of experiments that were happening. Justice: The "scientists" are respecting others and their property while doing experiments.

3. A type of sport, a ball. Zach Sexton pitched using this type of object. Prudence: Zach had to choose not to chuck it at someones head when they weren't looking. :D

4. Locomotion, run. Joe Sparks came to teach us how to "make running fun". Fortitude: Even though we don't like running, we still need to be able to listen and cooperate with his speech and actions.

6. Cheerfulness, "Whooh!!". We cheered on the Sixth Graders while they were having their 2-Mile Run. Fortitude: We cheered for the person who may have been the slowest, instead of making fun of them.
