# TSFA Vocab

## Across

2. Two primary colors combined in equal amounts
6. Shorter stems of mass flowers provide a color & focal point near the rim of the container
10. A type of flower used to complete a design
15. A design technique in which branches of flowers are used around the perimeter of a floral arrangement to direct attention to the materials in the center of the arrangement
16. The location within a design that attracts the most attention; the center of interest. In a corsage, the focal point is where the largest flower is placed
18. A chemical consisting of a mixture of ingredients that when added to water extends the vase life of cut flowers by lowering the water PH
19. Supplies, methods and materials that designers use to place and hold flowers and foliage in an arrangement

20. The tight positioning of flower clusters at the base of an arrangement forming rounded hills

21. Cutting flowers stems properly and providing proper treatment at any stage of the distribution process

22. Red, yellow and blue are primary colors

## Down

1. Number 3 ribbon is the appropriate size for a corsage bow. The appropriate gauge of wire for corsages is number 24- 28 depending on the weight of the flower. Construct a corsage so it is as light-weight as possible

3. The length of useful life of cut floral materials after being received by the customer

4. Sells floral goods and services to the consumer

5. A triangular pattern with a strong "L-Line"

7. Growers, Wholesalers and Retail Florist must process their flowers

8. Used to create focal point with unusual and distinctive shapes

9. used as primary flowers to establish the skeleton outline height or width of an arrangement

11. The Storage or shipment of flowers out of water

12. The level of light received on a plant surface

13. Firmly wrapping or tying similar materials together to form a larger, individual unit

14. Floral Material that has an "airy" look to create the finishing touch.

17. Are usually single stem with large rounded heads used inside or along the arrangement to fill in
