# Tchoukball

## Across

1. When a pass is dropped, the ball goes to the other team  
3. This occurs when a player from the offensive team interferes with the defense's ability to catch a rebound off the net.  
10. This is the name of the area around the net that no one may enter.  
11. Players might want to use a \_\_\_\_\_ style defense in order to cover as much space as possible following a rebound.

13. By changing the \_\_\_\_\_, you can change the direction the ball bounces off the net.  
Down  
2. The offense will maintain \_\_\_\_\_ of the ball until a point or turnover occurs.  
4. This many teams play tchoukball on a field or court  
5. When you go to catch the ball you must \_\_\_\_\_ (cushion) the force.  
6. The greater the \_\_\_\_\_ used, the farther away the ball will rebound.

7. Players should use a \_\_\_\_\_ pass to help move the ball toward their net.  
8. Defenders attempt to block their opponent from scoring by \_\_\_\_\_ a ball before it hits the ground.  
9. This is the term used for a shot bouncing off the net  
12. Players should be apart, in a \_\_\_\_\_ space to receive a pass
