

The 80's

Across

4. Hairstyling product that is used to harden the hair into a particular hairstyle
6. Women wore this in the hair. Typically in a high ponytail.
8. This product kept the hair in place
10. A hair style that is cut short at the front and sides, but left long in the back.

Down

1. Tight curl perms that resembled the curly hair of a poodle.

2. A method of styling the hair to make it wavy, often in a zig-zag fashion
3. This hair style is worn on the side of the head and gets it's name from it's resemblance to the tail of a pony
5. Women caked this product on in the 80's. Which would now be considered a clown look.
7. A way of combing hair which is used to create volume
9. When one piece of hair is grown out longer than the rest of the hair. "bad boys" and "bad Girls" had this hair style.
