

The Daring Escape of Ellen Craft

Across

3. travelers on a transportation vehicle, other than the pilot, driver, or attendants.
7. these were given as written permission for slaves to leave their owners for a certain amount of time during the holidays.
8. strips of fabric used to cover up an injury.
9. a person who is owned by another and forced to do work without pay.
10. the space between two things or people.

Down

1. permission from someone in charge.
2. people who worked to bring an end to slavery.
4. the most important point an author is trying to make in their writing.
5. slaves who left their owners in search of freedom, even though it was against the law.
6. the little facts and pieces of information that support the author's main idea.
