

The Evolving Workplace

Across

1. Hire for what fit and train later on?
5. Banking, finance and what jobs remain conservative in dress and atmosphere?
7. You can now attend interviews using this.
10. Working arrangements have now become this.
11. More people are now working from this place.
12. Over your phone you can now conduct these.
14. The workplace used to be only for these people.

15. What traditional roles are breaking down?

16. The workplace has changed dramatically over the past couple of these.

19. This means the world is like one big city.

20. Use this to find jobs.

Down

2. At some workplaces you get a free what?

3. You can look at potential candidates for jobs on these platforms.

4. This has become important to attract the right talent.

6. What generation are expected to comprise 50% of the workforce by 2020?

8. What device can you have your work in?

9. Cloud Storage has replaced this.

13. Emails have replaced these.

17. What may be trained later on after hired?

18. People working in technology and creative design's workplace have an emphasis on this.
