

The Expressed Powers

Across

- 1. The legal proceeding by which a bankrupt person's assets are distributed among those to whom he/she owes debts
- 4. those delegated powers of the National Government that are spelled out in the constitution, aka the 'enumerated powers'
- 6. exclusive power of Congress to regulate interstate and foreign trade
- 7. any kind of money that a creditor must accept in payment for debts

- 9. the legal process by which which citizens of one country become citizens of one another
- 10. power of a government to take private property for public use.
- 11. part of the US that is not admitted as a State and has its own Government
- 12. the exclusive, legal right of a person to reproduce, publish, and sell his or her own literary, musical, or artistic creations
- 13. delegated powers of the National Government that are suggested by the expressed powers out in the constitution.

Down

- 2. a charge levied by government on persons or property to meet public needs
- 3. practice of funding government by borrowing to make up the difference between government spending and revenue
- 5. all of the money borrowed by the government and not yet repaid
- 8. a license issued to an inventor granting the exclusive right to manufacture, use, or sell his/her invention for a limited period of time
