

# The Feminist Movement

**Across**

- 3. The purpose of the feminist movement was to fight for \_\_\_\_\_
- 4. Having a \_\_\_\_\_ was not acceptable in the 1950's and it could cause social and economic problems to the women involved
- 8. In the 1950's women were expected to be this instead of entering the work force
- 9. Women of the 1960's were \_\_\_\_\_ with their social situations
- 11. The word that defines wanting equality for men and women

12. The first wave of the American Feminist movement was Women's \_\_\_\_\_ in the 1920's

**Down**

- 1. This became legal for women to use in the 1960's allowing them to have more control over their bodies
- 2. This movement was \_\_\_\_\_ by the Civil Rights Movement

- 5. fought for mostly women but also "negroes and other deprived groups" Betty Friedan encouraged women to follow their own personal vision instead of their traditional roles. From 1996-now the organization has created a platform for women's rights (largest group of feminists in the United States)
- 6. Women were also fighting for equal \_\_\_\_\_ for equal work
- 7. Women in the feminist movement were \_\_\_\_\_ by age, social class, and political veiws
- 10. Betty \_\_\_\_\_ was a major leader in the Feminist movement (She wrote the novel the feminist mystique)
