

Name: \_\_\_\_\_

# The French Empire

## Across

- 6. - first permanent European settlement in Canada
- 10. Became France's leading seaport and largest town in Americas.
- 11. From present-day North Carolina to Maine
- 12. - children of French and Indian marriages

## Down

- 1. Quebec's founder
- 2. St. Lawrence River area
- 3. Mississippi basin
- 4. - French fur traders who married Indian women
- 5. - a supposed water route to Asia through the cold waters of present-day Canada

- 7. raided French settlements for decades
- 8. took little land because they were mostly fur traders and fishermen, not farmers.
- 9. was scarce in Europe and the French traded with the Indians for valuable beaver pelts.
