# The Importance of Happiness

## Across

2. On Earth

5. The gift of longing for union with God, tasted in his life and completed in the next

8. The gift by which we come to know who God is and trust in his plan for humanity

9. Like hinges on a door, our perfection or flourishing "hinges" on living these virtues

10. Ability to overcome life's difficulties despite risk, threat or fear

11. Consisting of union with the ultimate God in heaven

12. Harmony and balance of relationships; giving to others what they deserve to live a good life

## Down

1. Accepting God's gifts in our life means living faith, hope and charity

3. Art of making good decisions

4. The gift of love for God above all things along with love of neighbours as ourselves

6. Harmony and balance of our bodily needs; self-control with food, drink, sex along with other physical pleasures

7. Gift of God's help to live a holy and virtuous life- it comes from God and leads to God
