

# Thirteen Colonies

**Across**

**7.** They tip their hat to no man.

**10.** The practice of closing off your land.

**11.** A navigational tool used to read the stars.

**12.** Developed in the south. "I can do whatever I want and no one can tell me otherwise."

**13.** All goods must go to England on English ships.

**15.** The concept of \_\_\_\_\_ begins to grow during the crusades.

**16.** Forbade inter-colonial trading.

**Down**

**1.** A three masted ship.

**2.** It is decided if you are going to heaven or hell at birth.

**3.** A small tax on everything.

**4.** Another name for the Coercive Acts.

**5.** When the colony lives for the mother country.

**6.** Who starts the first committee of correspondence?

**8.** Intellectual capital of the U.S.

**9.** New England's economy was based on \_\_\_\_\_.

**14.** The Stamp Act affects the \_\_\_\_\_?
