

# Transgender Repersentation

## Across

1. A peson who feels both masculine and feminine, or who has a gender expression with both masculine and feminine characteristic
6. noting or relating to a person whose gender identity does not correspond to that person's sex assigned at birth:
8. Surgery performed on the chest as part of gender reassignment, especially to remove breast tissue and produce a masculine appearance of the chest in female-to-male surgery.
9. The steps a trans person may take to live in the gender with which they identify
10. Sexually attracted to people of one's own sex.

## Down

2. Surgery performed on a person's genitals as part of gender reassignment.
3. The process of accepting, and telling others about, one's theretofore hidden gender identity, gender affirmation, or sexual orientation.
4. a psychological condition marked by significant emotional distress and impairment in life functioning, caused by a lack of congruence between gender identity and sex assigned at birth.
5. The fear or dislike of someone based on the fact they are trans, including denying their gender identity or refusing to accept it
7. noting or relating to a gender identity that does not fit into the binary male/female division
