

Name: _____

Date: _____

Types of Engineers

Across

- 1.** Designs Tunnels And Bridges
- 4.** Design Electrical Poles
- 6.** Makes Advances In Technology For Health Purposes
- 15.** Design Oil Mining Machines
- 18.** Makes Buildings Structurally Sound
- 19.** Make Tools For Doctors
- 20.** Designs Nuclear Power Plants
- 21.** Designs Planes And Spacecrafts

- 22.** Responsible For Making Utilities

- 23.** Make Machines To Process Food
- 24.** Insulate Houses And Buildings
- 25.** Make Brakes For Cars
- 26.** Make Lights

Down

- 2.** Design Phones And Electronics
- 3.** Makes Animal Medicine
- 5.** Manipulate And Study DNA
- 7.** Designs Rails For The Railroad

- 8.** Oversees Water Quality And Sewers

- 9.** Design Highways And Traffic
- 10.** Deal With Human Movements
- 11.** Make Sure Items Have Good Quality
- 12.** Make Paper
- 13.** Test Stress Points In Metal
- 14.** Design Jets And Jet Engines
- 16.** Designs X-Ray Machines
- 17.** Design Animal Habitats
