# Unit 2 Vocab

## Across

3. migration across national boundaries  
8. Individuals who leave their home due to conflict, human rights abuse, war, or environmental catastrophes, but do not leave their country to seek safety.  
12. a person with temporary permission to work in another country  
14. premeditated effort to destroy a national, ethnic, racial, or religious group  
15. having legal property rights over a human and forcing them to obey  
16. individuals, protected by law, who cross national boundaries to seek safety from armed conflict or persecution  
17. immigrants who follow family and/or friends to the same destination  
18. migration within national boundaries

19. an effort to rid a country/region of a particular ethnicity either through forced migration or genocide

20. involves a degree of permanence when moving to a new locale

## Down

1. individuals who flee their home country and apply for protection, but their requests for sanctuary have yet to be processed. Once processed they are either given refugee status or refused and returned to their home country  
2. An event or obstacle that discourages people from migrating  
4. The presence of a nearer opportunity that greatly diminishes the attractiveness of the sites farther away  
5. an individual who chooses to move, typically based on various push/pull factors

6. the movement of people from the countryside to the city which causes two things to happen: increasing proportion of people living in towns and cities and expansion of urban areas.

7. an individual migrates against his/her will, including events that produce slaves, refugees, internally displaced persons, and asylum seekers

9. migration to a distant destination that occurs in stages

10. Determined by birth rates, death rates, and life expectancy

11. A measure of the economic impact of younger and older cohorts on the economically productive members of a population

13. seasonal movement or pastoral nomads who move livestock between summer and winter pasture
