

Name: \_\_\_\_\_

Date: \_\_\_\_\_

# Unit 4 Big Ideas

## Across

1. When adding polynomials you \_\_\_\_\_ with the exponents  
 2. Number  
 7. When you divide expressions you \_\_\_\_\_ the coefficients  
 11. What you do with the exponents when multiplying polynomials

12. The last name of a polynomial  
 13. 3 terms  
 15. What you do with the coefficients when multiplying polynomials  
 16. Degree of 2

## Down

3. When you divide expressions, you \_\_\_\_\_ the exponents

4. The first step in factoring  
 5. 2 terms  
 6. The first name of a polynomial  
 8. The first step in adding and subtracting polynomials  
 9. 1 term  
 10. Degree of 1  
 14. Degree of 3
