## Across

3. A gradual change of one shade from dark to light.  
 6. A piece of fabric worn over the shoe, extending to the ankle or the knee.  
 8. A jappanese sandal.  
 9. The result of fabric being stretched as it is sewn, resulting in a wavy hemline.  
 11. Ornamental work of fine wire, usually in silver or gold, with the addition of tiny beads.  
 13. A sharp, narrow fold.  
 16. A white or off-white background on which a repeated pattern, depicting a detailed scene, appears.  
 18. Small socks with evenly-spaced designs.  
 19. A loose, pleated waistline that gives the impression of a scrunched bag when gathered at the waist.

20. Sheer fabrics with a translucent effect.

23. A small, close fitting and upright collar.

24. An artistic technique where realistic imagery is used so to appear 3D.

25. A decorative design made of one piece of fabric sewn on top of another.

26. The section of a shoe that covers the heel.

## Down

1. The property of a fabric that appears to change colour as it catches the light.

2. A V-shaped weave resembling the skeleton of a herringfish

4. A skin-tight garment that covers the body from the neck to the wrists and ankles.

5. A full, wide skirt with a tight, fitted waistline.

7. A pocket set into the garment with a slit entrance, as opposed to a patch or flap pocket.

10. A sleeve that sits in between sleeveless and short.

12. Square in shape with minimal tailoring.

14. The part of the garment around the neckline on the front and the back.

15. A split in a garment to allow for movement.

17. The style of a sleeve, where a continuous piece of fabric continues to the neck with no shoulder seam.

21. A thin, puckered, cotton fabric.

22. A decorative shoulder adornment.
