# WAR

## Across

**6.** We continue to fight until we can no longer fight was a \_\_\_\_\_ way for say that we will fight until we die

**7.** The enemy had \_\_\_\_\_ plan that was easy for us to know what move they're planning to use on us

**9.** Most of our men become \_\_\_\_\_ after the war, motivation by money

**10.** While the war was over, it has \_\_\_\_\_ the heart of every men that success did came at price

## Down

**1.** In order to \_\_\_\_\_ the situation, the platoon leader needed to reconcile himself in order to continue on

**2.** Getting a fever, vomiting was a \_\_\_\_\_ of the men getting sick

**3.** The commander officer will show \_\_\_\_\_ behavior to his own platoon when they are in danger

**4.** The general had a \_\_\_\_\_ plan that it through his army off

**5.** These past times has been nothing but a \_\_\_\_\_ of whats to come

**8.** We continue to \_\_\_\_\_ the enemy until they had no more troops left
