# Welcome to the Circus

## **Across**

**5.** A classic meal for the circus and a baseball game.

**7.** The thing the lion is in before getting released.

**9.** Something you win playing a game.

**12.** Something a magician does to make something disappear.

**13.** Comes in many flavors and in a cone. It is cold

**15.** They have big shoes and red noses.

**18.** The thing that the circus is under.

**19.** The clothes that the clowns and performers dress up in.

**20.** It is buttery, crunchy and makes a popping noise when it is cooked.

## **Down**

**1.** An animal that can balance a ball on its nose.

**2.** Something that the performers put on for you to watch.

**3.** A small piece of paper that you use to get into the circus.

**4.** Fluffy sugar that melts in your mouth and usually is pink or blue.

**6.** A form of bicycle with one wheel the clown rides around on

**8.** When you clap a lot after the show ends.

**10.** Elephants and monkeys are.....

**11.** They get tied to a string and they fly away if you let them go.

**14.** Where all these things are located.

**16.** It is very hot and you get burned if you touch it.

**17.** Also known as tunes.
