# What Makes the Pharmacy World Go-Round

## Across

2. To give alteplase, or not to give alteplase. That is the question.

6. Uh oh! The patient meets SIRS criteria! Time for this alert!

8. This is the MARTA for medications here at Grady  
9. Describes life as a member of Grady's dept of pharmacy. (Oh! And is the name of our electronic medical record system.)

11. These machines allow for the storage of medications on patient care floors

12. Atlanta can't live without:

13. Grady is home to one of the busiest level 1 trauma centers. What's the name of it?

## Down

1. Need anticoag counseling? Need your vancomycin dosed jussst right? Put this in for your pharmacist to handle!

3. Home to most PO medications, this can be found in MIP, and at the county fair!

4. Although a code, this color often represents the on-call resident's mood

5. "Hi this is the nurse. Can you please \_\_\_\_\_ my patient's medication?"

7. Pharmacy \_\_\_\_\_ play an integral role in the daily operations of the pharmacy

10. Be sure you garb appropriately before entering this room!
