

Name: _____

Date: _____

What element am I?

Across

4. When I was created I was named after Albert Einstein
6. My chemical symbol is Au
8. My chemical symbol is Hg
9. I am a halogen.
13. I have 7 neutrons in my nucleus

15. I am the smallest element, made up of 1 proton and 1 electron

16. I have 4 protons in my nucleus

Down

1. I have an atomic mass of 12
2. My electron configuration is 2.8.3
3. I have 20 protons in my nucleus

5. My chemical symbol is I

7. I have an atomic mass of 5

10. My electrical configuration is 2.8

11. My electron configuration is 2.8.8.1

12. I am Beryllium, what is my chemical symbol?

14. My chemical symbol is W
