

Workers Right's in and out of the Workplace

Across

2. Associations of workers that try to improve working conditions in particular occupations.
4. Some people thought these banded them together
7. Workers wanted this, but owners did not.
8. The amount of money a person gets from work
9. This is a movement in favour of gradual, widespread change in society.
11. This organization along with the DWEA organized a mock parliament in Toronto.

Down

1. Many working-class families suffered from this along with poverty, and low wages.
3. The _____ of Labour taught their members to "Dream of what might be... the beautiful of universal democracy and cooperation."
5. Everyone gets this, but men get it better.
6. Sums of money demanded by a government for its support for services, property, sales, etc.
10. Women finally got the right to do this after many years of protesting.
