# Year 7 Elements of Art

## Across

- 3. The form of a sculpture or installation.
- 4. When we apply paint thickly we create this type of texture.
- 7. The colours red, blue and yellow are these colours.
- 10. A line that goes up and down
- 13. The tone used where some light hits an object.
- 15. The colours purple, green and orange are these colours.
- 19. The form of a painting or drawing.

20. A word used to describe thick lines that you notice straight away in an artwork.

21. The shapes that are uneven, not exact and usually come from nature.

## Down

- 1. The shapes used in mathematics that have angles.
- 2. Can be primary or secondary.
- 5. When we draw snake scales or animal fur we create this type of texture.
- 6. A line that goes across the page.
- 8. Describes how something feels.
- 9. Can be geometric or organic.

11. A word used to describe a fine line or series of lines.

12. Used to outline shapes.

14. The tone used where there is a shadow.

16. Used to create lightness and darkness or create shadows in an artwork.

17. Can be a 2 dimensional or 3 dimensional.

18. A line that goes from left to right as it moves across the page.
