# Your Birthday

## Across

- 4. We gathered this on the shore of a glacial lake in New Zealand
- 7. The purple bottle is our favorite
- 8. We need more 2 player versions
- 9. Gotta rub all the knots out. \_\_\_\_\_ oil
- 10. We'll need chairs if we want somewhere to sit, like we did on the side of the road in New Zealand while

11. Before we head home, if you'd like, we could have a lunch like this.

13. We probably won't have service out there.

## Down

- 1. A campfire classic treat (without the apostrophe)
- 2. We've talked about making these for breakfast for a while
- 3. You may want to pack your \_\_\_\_\_ boots

5. We probably should bring one of these from New Zealand

6. One of your favorite meals

12. This isn't coming with us because it's made of ice cream, but we'll pick it up before we go
