# college application terms by Jada Jackson

## Across

**9.** Refers to colleges/universities with a focus and core curriculum that includes classes in the arts, humanities, social sciences, and sciences.

**10.** is a more detailed financial aid application than the FAFSA and is required by some, but not all, colleges/universities

## Down

**1.** The terms "college" and "universities" can both represent four-year post-secondary schools. The main difference between the two is that universities usually include four-year undergraduate degrees and graduate degrees, whereas most colleges do not have graduate programs.

**2.** income-eligible students may be able to waive or reduce college application fees and related ACT/SAT fees.

**3.** (also referred to as an undergraduate Degree)-most colleges/universities award a "bachelors degree" when the student completes his/her required coursework and graduates.

**4.** early decision is similar to early action.

**5.** many colleges/universities use the "common Application" system

**6.** most colleges/universities require essays as part of the application. Essay prompts are the questions or statement to be addressed within the essay content

**7.** is the grade point average (GPA) of core classes

**8.** a measure of how a student's GPA compares to other students in the same graduating class
