

Name: \_\_\_\_\_

# energy

## Across

- 4. the energy of a body
- 6. concerned with energy
- 7. energy liberated by a chemical reaction
- 8. electricity

- 9. the process of converting one energy to another
- 10. is a thick layer of insulin
- 11. the emmissions of energy
- 12. series enrgy

## Down

- 1. the energy releases componet
- 2. parallel energy
- 3. caused by movement
- 5. the process of electrical energy moving through a circuit

## Word Bank

Potential energy  
radiation energy  
conversion energy  
Chemical energy

electrical energy  
exeding in the same direction  
Kinetic energy  
component enrgy

electrical energy  
insulation energy  
a infinate series  
circuit energy
