

Name: _____ Date: _____ Period: _____

macromolecule

Across

- 6. Energy needs
- 9. Stores energy
- 10. CHO
- 12. Monomers of protein
- 13. Organisms grow or attaches

Down

- 1. Where a Enzyme binds to a protein
- 2. Join together to form polymers
- 3. Made up of only 1 sugar molecule

- 4. Nucleotides are monomers of ..
- 5. Multiples
- 7. Organic catalyst
- 8. Meat
- 11. One of the things that determine shape in enzymes
