she had not come till then
lee had enjoyed the party
had I already had it?
they had not studied
he had not rested
I really left
yes she did

I had never smoked by then
had you ever met before?
had she lost the bus?
I had eaten too much
many had done it
did she move?
he went on

john had not drunk so much
we had had a good time
had she played well?
I had sat on a sofa
we sung all day
you sent him
i did it
