# population dynamics

## Across

- 7. what's the 3rd rapid life history pattern?
- 8. what's the 2nd pattern in rapid life history?
- 9. what increases populations?
- 10. what is one slow life history pattern?

## Down

- 1. A type of limiting factor?
- 2. what is the carrying capacity?
- 3. what do animals do when they leave their homes?
- 4. what's the 1st pattern in rapid life history?
- 5. How are populations added?
- 6. what is one limiting factor?
